

## Mathematics outreach day M&CS, 27 August 2018

The Dutch association of female mathematicians, EWM – The Netherlands and the department of Mathematics and Computer Science at TU/e jointly organise an afternoon dedicated to “**Celebrating Mathematics**” on 27 August, 13.00 – 17.30. The event comprises talks that showcase the communication of mathematics, the popularisation of mathematics, and the impact of mathematics and closes with the opening of the photo exhibition “[Women of Mathematics throughout Europe – A Gallery of Portraits](#)”. The invited speakers are:

**Prof. Nelly Litvak** on “*Inclusive mathematics*”.

**Prof. Ionica Smeets** on “*How to talk about mathematics*”.

**Prof. Frank Thuijsman** on “*Math, Mind and Marriage Problems*”.

**Dr. Tom Verhoeff** on “*Mathematical Art as Problem Solving*”.

Registration to the event is for free but required. To register, please follow this [link](#).

The abstracts of the presentations can be found [here](#).

Location: Luna, Corona, and Metaforum, Energy Forum, TU/e
