

The Tilburg School of Economics and Management of Tilburg University has a position available at the Department of Econometrics and Operations Research:

Tenure Track Assistant Professor

An assistant professorship is a tenure track position for six years. Candidates in all areas of Business Analytics and Operations Research will be given consideration.

The position offers ample opportunities to do research as it carries a light teaching load (approximately one course per semester).

After at most five years, a tenure decision is made. The assistant professor is appointed at the Department of Econometrics and Operations Research at the Tilburg School of Economics and Management.

Tilburg University offers competitive European salaries. Moreover, researchers from outside the Netherlands can apply for tax-free allowance equal to 30% of their taxable salary. The University also offers a generous pension scheme. The School will provide assistance in finding suitable accommodation and in other relevant relocation issues.

Information about the Department of Econometrics and OR can be found at:

<http://www.tilburguniversity.edu/about/schools/economics-and-management/organization/departments/eor.htm>

Applications and accompanying documents should be submitted electronically, using this website:

https://mystudy.uvt.nl/it10.jm_home

Applications should be submitted no later than **December 31st, 2016**. They should include a curriculum vitae, copies of written work, two reference letters (appraising the applicant's research potential) and, if applicable, teaching evaluations.

For further questions, you can contact the Chair of the Recruitment Team at telephone: +31 13 466 4045 or e-mail: secretariat.econometrics@tilburguniversity.edu

Initial interviews may be done via video-conferencing. Subsequent interviews with the most promising candidates will be scheduled through campus visits to Tilburg University in the first quarter of 2017, or at another mutually convenient time and place.
