

EURO Working Group on Sustainable Supply Chains

2nd Conference of the EURO Working Group on Sustainable Supply Chains Amsterdam, July 6 – 7, 2018

EURO

The Association of European Operational Research Societies

Sustainable supply chains and the circular economy

We have the great pleasure of inviting you to take part in the 2nd Conference on Sustainable Supply Chains (SustSC 2018) to be held in Amsterdam, The Netherlands, July 6 & 7, 2018. SustSC 2018 is organized by the EURO Working Group on Sustainable Supply Chains in cooperation with the Operations Research and Logistics group at Wageningen University and sponsored by the Association of European Operational Research Societies (EURO). The purpose of the SustSC 2018 Conference is to offer the European and international sustainable supply chain community (researchers and practitioners) the opportunity to present state-of-the-art developments and to discuss current research challenges.

Conference scope: We invite contributions on sustainable supply chains from disciplines such as operations research, logistics, and industrial engineering. We especially welcome submissions that contribute to the transition to a circular economy, but broader sustainable supply chain issues will not be excluded from consideration.

- Keynotes:**
- “How sustainable is Big Data in supply chains?”, Charles Corbett, Professor of Operations Management and Sustainability & IBM Chair in Management, UCLA Anderson School of Management, USA
 - “Sustainable city logistics”, presentation by Amsterdam Institute for Advanced Metropolitan Solutions (AMS).

Location: Amsterdam Institute for Advanced Metropolitan Solutions, Amsterdam, The Netherlands (<https://www.ams-institute.org/>), co-located with the Royal Tropical Institute, <https://www.kit.nl/>)

Dates: July 6 – 7, 2018, with a full day on Friday and half a day on Saturday (leading up to the annual EURO conference – note that there are direct flight connections with Transavia, Vueling, or KLM possible from Amsterdam to Valencia)

Registration: See link on the EWG site: <https://www.sustainableesc.rwth-aachen.de/>

Registration fees:	Early bird	Normal rate
Professor/Post-Doc/Industry	€ 180	€ 200
PhD candidate	€ 130	€ 150
Summer school participant	€ 90	€ 90

Abstracts: Abstracts for presentations can be submitted until May 15, 2018 to sustsc.ori@wur.nl (using the provided [abstract template](#)). The abstracts should be max. 250 words and will be collected in a Book of Abstracts for the conference participants.

Key dates:

Abstract submission deadline:	May 15, 2018
Acceptance notification:	May 23, 2018
Early Bird registration deadline:	May 25, 2018
Conference registration deadline:	June 12, 2018

Scientific committee: Renzo Akkerman (Wageningen University), Jacqueline Bloemhof (Wageningen University), Rene Haijema (Wageningen University), Erwin van der Laan (Erasmus University Rotterdam), Grit Walther (RWTH Aachen)

Supported by: Association of European Operational Research Societies (EURO), Wageningen University, and the Amsterdam Institute for Advanced Metropolitan Solutions (AMS).
