

# 17th Cologne-Twente Workshop (CTW 2019) on Graphs and Combinatorial Optimization

July 1-3, 2019, Enschede (Netherlands)

## Call for papers

The Cologne-Twente Workshop on Graphs and Combinatorial Optimization 2019 welcomes contributions on theory and applications of discrete algorithms, graphs and combinatorial structures in the wide sense. CTW 2019 will take place at the University of Twente, Enschede, Netherlands.

### Important dates

- Submission deadline: March 1, 2019
- Notification: : April 15, 2019

### Contacts

- URL: <https://wwwhome.ewi.utwente.nl/~ctw/>
- EMAIL: [ctw2019@utwente.nl](mailto:ctw2019@utwente.nl)

### Abstract Submission

Submit extended abstracts of at most 4 pages using the EasyChair link <https://easychair.org/conferences/?conf=ctw2019> no later than March 1, 2019, using the template available on the website of the workshop. The scientific committee will select the presentations for the workshop on the basis of the extended abstracts received and on the available number of slots.

### Proceedings volume

There will be a special issue of the journal Discrete Applied Mathematics as a post-conference proceedings outlet.
