

## **Nomination Johan van Leeuwaarden ‘New Scientist Wetenschapstalent 2015-prize’**

Dear LNMB members,

LNMB member Johan van Leeuwaarden, together with 24 other young scientists, has been nominated for the *New Scientist Wetenschapstalent 2015-prize*. For more information on this prize and the 25 nominees, we refer to: <http://www.newscientist.nl/talent/>. Via this webpage you also get the opportunity to vote. The final judgement is partially based on the results of these votes.

**We would like to encourage you to vote, and of course to vote for Johan ... !**

We also refer to the following ED articles for more information on Johan’s nomination:
