## **HALG 2018 (Highlights of Algorithms) - Call For Contributed Presentations (Deadline Extended)**

-----  
3rd Highlights of Algorithms conference (HALG 2018)  
Amsterdam, June 4-6, 2018  
<http://2018.highlightsofalgorithms.org/>

The Highlights of Algorithms conference is a forum for presenting the highlights of recent developments in algorithms and for discussing potential further advances in this area. The conference will provide a broad picture of the latest research in algorithms through a series of invited talks, as well as the possibility for all researchers and students to present their recent results through a series of short talks and poster presentations. Attending the Highlights of Algorithms conference will also be an opportunity for networking and meeting leading researchers in algorithms.

### **Call For Submissions of Contributed Presentations (Deadline Extended)**

The HALG 2018 conference seeks submissions for contributed presentations. Each presentation is expected to consist of a poster and a short talk (5-minute invitation to the poster). There will be no conference proceedings, hence presenting work already published at a different venue or journal (or to be submitted there) is welcome.

If you would like to present your results at HALG 2018, please submit their details the abstract of the talk or the contribution of the poster via EasyChair:  
<https://easychair.org/conferences/?conf=halg2018>

The abstract should include (when relevant) information where the results have been published/accepted (e.g., conference), and where they are publicly available (e.g., arXiv). All submissions will be reviewed by the program committee, giving priority to new work not formally published yet, and to papers published in 2017 or later.

Submissions deadline (extended): \*March 13th, 2018\*.  
Late submissions will be accepted subject to space constraints.
